

Growing Together at Ruby

We're developing our leaders and strengthening our team through our new management training programme!

We're investing in leadership
today to build a stronger team
for **tomorrow**

This programme gives our
managers space to learn, reflect
and grow, so they can lead their
teams with confidence

But what did the managers think?
Swipe to find out

“The sessions were engaging, well delivered, and I've taken away a lot of useful knowledge and developed as a manager”

“I now have a much clearer understanding of the type of manager I want to be”

“With me being very new to management, I have found these sessions extremely beneficial to gain quality insight on the behaviours and skills you require when managing a team”

“I feel so much more confident in my role than I did prior to the training”
